RESPONSE AFTER FINAL  
EXPEDITED ACTION REQUESTED

This is being filed in response to the Final Rejection mailed on 20 April 2006. Enclosed are Applicant's remarks and a <sup>✓</sup>second Declaration of Dr. Edward Nowak clarifying his previous points and responding to the interpretation of polyethylene glycol used in the Final Rejection. The Examiner is respectfully requested to consider the <sup>✓</sup>remarks and the <sup>✓</sup>enclosed Declaration.

<sup>✓</sup>This response is believed to be timely filed with the 3 month time period. The Final Rejection was mailed on April 20, 2006 and this submission is being facsimile transmitted on July 20, 2006. However, the Commissioner is also authorized to deduct any necessary additional fees for an extension of time from Deposit Account number <sup>✓</sup>50-3651.
